2025 Book Dedication

The Pittston Fair Association proudly dedicates the 2025 Fair Book to Mike Stoddard.

Mike was a lifelong resident of Pittston. Initially he was raised on the family's chicken farm and later his forever home with his wife Judy where they raised their daughter Bethany. He was active in the community for many years before he became a member of the Pittston Fair Association.

While Mike was officially the Chairmen for the Pittston Fair Association, he also helped in many ways. You could find him anywhere from working in the cook shack to grounds maintenance. He maintained the ledgers for annual memberships and dues and oversaw the on-site camping. By far one his favorite tasks were helping with the kid's pig scramble every year. Mike wore many hats and was always known as the one helping with a toothpick in his mouth.

Please join the Pittston Fair Association in honoring Mike and his many years in the Pittston community.

2024 Strawberry Queen

Hi. My name is Ashley Kalloch, your 2024 Maine Strawberry Queen. I am 17 years old and a senior at Hall-Dale high school in Farmingdale, Maine. I run my own beef and dairy farm as well as enjoy showing my cattle at many agricultural fairs. I have had a blast getting to know and get to spend time with my strawberry sisters. My favorite event that I went to with my strawberry sisters was the Big E in Springfield, Massachusetts. We were able to walk around in the main building and tell people what it is like to be strawberry royalty and represent the Pittston Fair. I have been a part of the strawberry pageant since I was five years old. The strawberry pageant has helped me blossom from a shy girl to a sociable, young lady. I have learned a lot and made great friends throughout the strawberry pageant!

2024 Strawberry Princess

Hello! My name is Zoie, your 2024 Maine Strawberry Princess. I am 14 years old and from Windsor. I am a caring and responsible person who has always had a deep love of both people and animals. You will often find me hanging with one of my many siblings or cuddling one of my many dogs. Representing the Pittston fair as strawberry princess was such a special experience for me. I truly enjoyed traveling to fairs across Maine and meeting so many amazing people. One of the highlights was going to the Big E which was unforgettable! I really enjoyed all the fairs but the selections of vendors, rides, food, and everything was amazing. Through this journey, I also grew a closer bond with the queen and blossom which made this experience even more fun and meaningful. Being the strawberry princess is something I will never forget, and I hope to someday see one of my sisters up there as strawberry royalty!

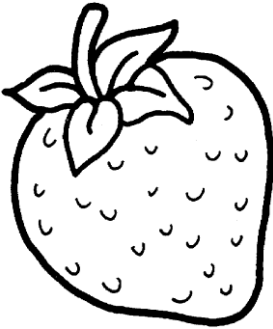

2024 Strawberry Blossom

My name is Remi Foss, and I am your 2024 Maine Strawberry Blossom. I am 8 years old and live in Augusta with my family. I have had so much fun attending and helping at events this past year. My favorite events were both the Rockland Lobster Festival and the Whitefield 4th of July parade. I also made a lot of new friends including my strawberry sisters, Zoie and Ashley. Being a contestant in the Maine Strawberry Pageant over the last few years has given me so much confidence and helped me come out of my shell! I have even found out that I LOVE interviews! I am sad that my time as Strawberry Blossom has come to an end but am honored to be able to crown the next girl. I hope she has as much fun as I have!

Signing off,

Your 2024 Maine Strawberry Blossom, Remi Foss
